***Examiner's Amendment***

1. The amendment to claim 1 filed March 1, 2004 makes the claims allowable, however, claims 2 and 3 have improper status identifiers in that "delete" should be cancelled and the amendment is non-compliant. Thus, the amendment has been placed in an examiner's amendment so the amendment does not have to be returned to applicant for correction.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The examiner attempted to contact the attorney, however, the attorney was unavailable after several phone calls. The examiner's amendment does not effect the claims thus the amendment was made without authorization.

The application has been amended as follows:

Claims 2 and 3, line 1, change "delete" to ---canceled---
